EMBTEL

FROM: Habana

TO: Secretary of State

NO: 1773, January 26, 6 p.m.

PRIORITY

DEPTEL 1059

[redacted] told me he thought statement very timely and put US attitude toward Cuba on "cordial plane." He said he expected to see Fidel Castro, or President Dorticos if not Castro, within 48 hours and would use statement as basis for urging Castro to reciprocate with statement equally cordial. This would pave way he felt for early return of Ambassador Bonsal.
